

*Sunday, Monday,
Tuesday, Wednesday
Thursday, Friday Saturday*

Monday is a day of work,
Work is truly from above,
For on Monday God was working
making heaven and the earth.

Tuesday, Wednesday God was working
Thursday also he did work,
So I also through the week
work to eat and drink and sleep.

Friday is the final workday,
Saturday soon will come,
For on Friday, God made humans
He made man and woman too.

Sunday is the day for church
Oh how I love Sunday
At the church I learn of Jesus
And I learn to love him so
